Chapter III

Exercise 00 : ft__strcmp

	Exercise 00
	ft__strcmp
Turn-in directory : *ex00/*	
Files to turn in : `ft_strcmp.c`	
Allowed functions : `None`	

- Reproduce the behavior of the function `strcmp` (man strcmp).

- Here's how it should be prototyped :

```
int        ft_strcmp(char *s1, char *s2);
```
