Chapter III

Exercise 00 : ft_strdup

	Exercise 00
	ft_strdup
Turn-in directory : *ex00/*	
Files to turn in : `ft_strdup.c`	
Allowed functions : `malloc`	

- Reproduce the behavior of the function `strdup` (man strdup).

- Here's how it should be prototyped :

```
char    *ft_strdup(char *src);
```
